TRAINING: CHAINSAW SAFETY

PRESENTED IN ENGLISH & NAVAJO

Join us for this half-day of demonstrational training in proper use of chainsaws, presented in both English and Navajo. Geared to both tree care professionals and community members, this educational training will cover basic chainsaw maintenance with a hard focus on safety, PPE, and safe work practices for using a chainsaw. All information in this training will stay within the guidelines of Ansi Z133 - 2012 requirements. Attendees will need to provide their own hearing and eye protection for the demonstrations. **ISA CEUs are available.**
