

ABOUT THE ARIZONA COMMUNITY TREE COUNCIL

The Arizona Community Tree Council is an education and tree community-building nonprofit organization.

Our mission is to facilitate the planting and care of trees in Arizona. Our programs bring together communities to encourage green spaces, urban forests and great neighborhoods with shade and other benefits. We love Arizona and work together with volunteers, partners and businesses to make our communities greener and more enjoyable.

WE HELP:

- Volunteers plant trees
- People learn proper tree choice and tree care
- Tree professionals, like Certified Arborists and other tree workers, access education and CEUs
- Tree owners connect with arborists and tree professionals to help them keep their trees healthy
- Partner organizations and volunteers in their efforts to plant trees and care for trees

2022 ARIZONA COMMUNITY TREE COUNCIL TREE FESTIVAL & CLIMBING CHAMPIONSHIP

The Arizona Community Tree Council (ACTC) hosts the annual **Tree Festival & Climbing Championship**, a day of fun for the whole family at Pioneer Park in Snowflake. The event is Saturday, May 14, 2022 from 8 AM – 5 PM. Arizona arborists will participate in a tree climbing competition throughout the day that is designed to simulate the challenges they face in their daily work. Festival-goers can watch the competition while perusing exhibit tables, food trucks and fun family activities.
